In the Matter of Review of Part 15
and Other Parts of the Commission's Rules

ET Docket No. 01-278

On July 26, 2002, RADAR Members filed a Petition for Partial Reconsideration ("Petition") of the First Report and Order in this proceeding, seeking relaxation of the implementation schedule, which required that radar detectors manufactured domestically or imported into the United States comply with the new rules 30 days after Federal Register publication. Notice of the Petition was published in the Federal Register on September 12, 2002 67 FR 57816.

Subsequently, on September 13, 2002, RADAR Members filed a letter with the Commission withdrawing its Petition for Reconsideration. RADAR's petition is dismissed.
